

User manual for REACH Admin

Table of Contents:

1. ADMIN SETTINGS

1. ADMIN SETTINGS

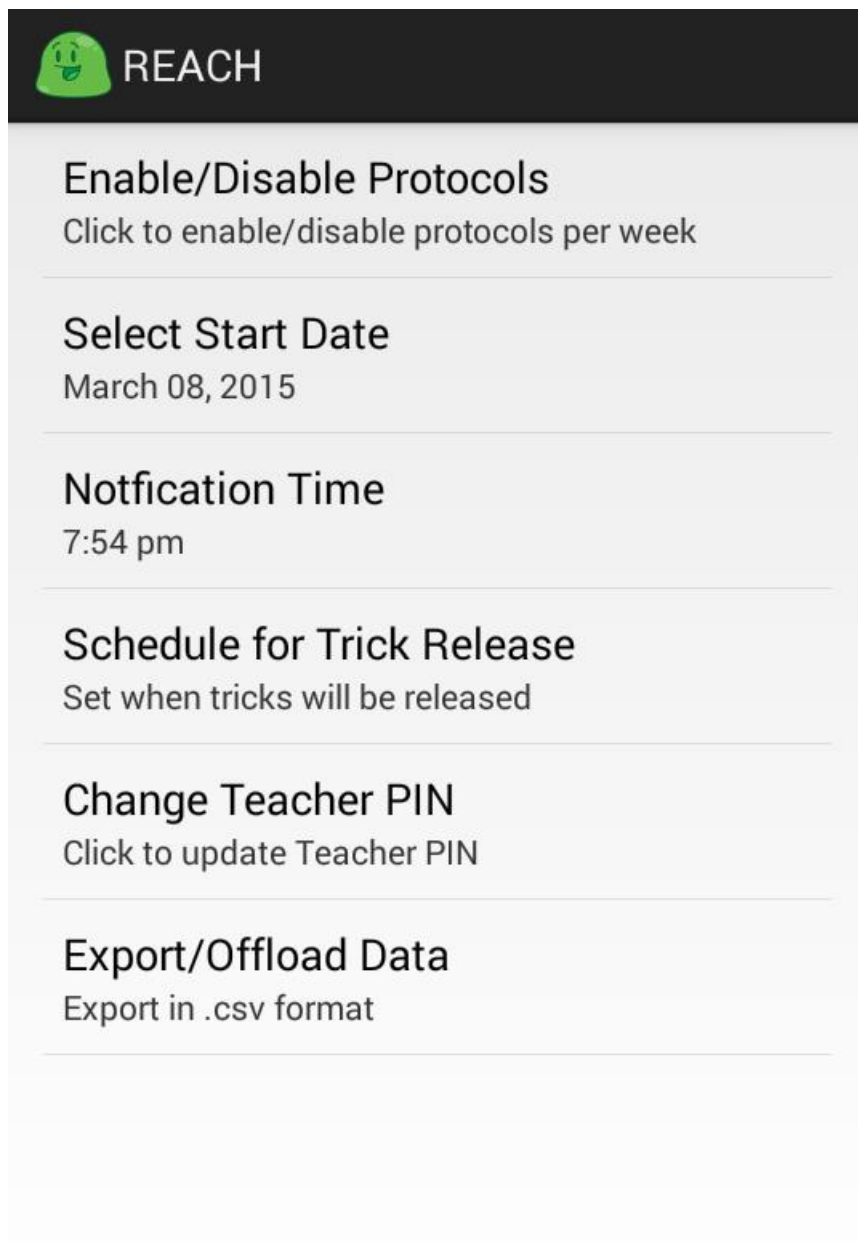

Tap the main screen starting from top left corner, top right corner, bottom right corner and then finally bottom left corner in quick succession.

Type in the admin pin to go in the admin preferences.

This is the list of options available for Admin.

Tap the option of your choice to change a particular setting.

Select the start date of the protocol, notification time and BLOB trick release days of the week.
